

Table of Contents

Section I – Introduction / Planning Framework	1.1 - 1.5
Overview	1.1
Interrelationship with Previous Master Plans	1.1
Planning Framework	1.1
Planning Process	1.2
Balancing Human Use and Ecological Protection	1.4
Section II – General Park Background / Trends / Public Process Findings	2.1 - 2.15
Overview	2.1
Regional Park Context	2.1
Regional Trends Forecasting	2.5
Findings from the Public Process	2.12
Conclusions	2.15
Section III – Vision Statement	3.1 - 3.3
Overview	3.1
Dakota County Parks Mission Statement	3.1
Vision and Goal Statement	3.1
Themes and Sub-Themes	3.2
Section IV – Park Boundary / Acquisition Plan	4.1 - 4.13
Overview	4.1
Dakota County Parks Policy on Land Acquisition	4.1
Existing Park Boundary	4.3
Inholding Properties to be Acquired	4.4
Park Boundary Expansion Considerations	4.8
Alternative Approach to Preserving Adjoining Open Space	4.9
Jurisdiction Over Mississippi River Islands	4.11

Section V – Natural Resources Stewardship Plan	5.1 - 5.52
Overview	5.1
Natural Resources – Dominant Physical Features	5.3
Historic and Current Condition of Ecological Communities	5.10
Natural Resources / Ecological Stewardship Vision	5.18
Natural Resources / Ecological Stewardship Plan	5.22
Ecological Protection Strategy Relative to Development	5.42
Spring Lake and Mississippi River Stewardship Issues	5.43
Park Land Water Resources Management	5.46
Wildlife Habitat	5.50
Conclusions	5.52
Section VI – Cultural Resources Stewardship Plan	6.1 - 6.18
Overview	6.1
Preserving the Cultural Sense of Place	6.1
Background Research	6.2
The People of Spring Lake Park Reserve	6.2
The Waters Provide – The Native Americans	6.5
The Lake Rises – The White Settlers	6.10
The River Rises – The Last Residents	6.13
Cultural Resources Stewardship Plan	6.15
Section VII – Development Master Plan	7.1-7.41
Overview	7.1
Balancing Human Use of the Park with Ecological Protection	7.1
Interface with Other Plans, Policies, and Ordinances	7.1
Development Master Plan Overview	7.2
Development Plan Relative to Ecological and Cultural Protection Strategy	7.4
Overall Themes for the Major Areas of the Park	7.5
Overview of the Development Program	7.6
Vehicular Access Points and Roadways	7.7
Regional Trail	7.11
Nature and Cultural Trail System	7.12
Points of Interest and Trailside Amenities	7.15
Water Trail	7.17
Winter Trail System	7.18
Schaar's Bluff Development Area	7.21
The Harbor	7.28
Lodge and Group Camp	7.31
The Village	7.33

Boat/Canoe/Kayak Launch	7.34
Picnic Area	7.35
Archery Range	7.35
Island Camping	7.36
Independent Picnic Areas	7.36
Community Gardens	7.366
Maintenance Center	7.37
Park and Trail Signage Program	7.38
Other Development Considerations and Conflicts	7.39
Public services/Utilities	7.40
Universal Design/Special Needs Framework	7.40
Section VIII – Cultural and Environmental Education Plan	8.1- 8.5
Overview	8.1
Interface with Dakota County's Outdoor Education Plan	8.1
Existing Outdoor Education Program Opportunities	8.2
Flexible Use Approach to Development Master Plan	8.3
Future Outdoor Education Program Opportunities	8.4
Section IX – Implementation and Management Plan	9.1- 9.18
Overview	9.1
Implementation Cost Projections	9.1
Implementation Strategy and Priorities	9.7
Management Plan	9.14
Appendix A - Program Statement for Spring Lake Park	AP.1- AP.21
